

CODE DAZE

Reviving the art of code
And Building Community

September 14th & 15th, 2016
Buffalo, NY

Official CodeDaze Volume 2 Prospectus

CodeDaze is a conference dedicated to code, design, development, and everything tech! We will explore the cutting edge tech, best practices, and all things that make our community awesome! Join us at the Historic Buffalo Central Library in Buffalo, NY and become part of this first time revival of the art of technology!

We plan to bring the best speakers from the all parts of the technology spectrum to speak, share, and discuss the concepts that can be distilled into the best practices for our industry for two days of learning and activities.

Our program will be jam packed with speakers from all aspects of the tech world.

Getting involved on the ground floor will allow you to get your brand to 150 to 200 developers dedicated to their craft. Please take a look below at the main options.

Perk	Gold - \$3000	Silver - \$2000	Bronze \$1000
Name on all printed materials, projections, and appropriate swag			
Your branded Swag in attendee bags			

Additional Swag
available day of
event

3 Free Tickets

Special Thanks
during Sponsor
Thank You
Addresses

Thank You Tweets
leading up to and
During the
Conference

We also have community sponsorships for anyone looking to do less than \$1000. These will include mentions during all thank you addresses and our undying appreciation.

CodeDaze will be a premiere event in the US and there are plans for further adventures in tech communities around North America. Early inclusion will gain you our appreciation, some “we were there first” bragging rights”, and the ability to help build the best Tech Community we can hope for! For proof, see our success at [ElixirDaze!](#)

CodeDaze is governed by a [Code of Conduct](#) and all sponsors are expected to adhere to its tenants.

For more information on sponsorship, contact PJ Hagerty, pj@elixirdaze.com.
